

Nokia 5.4

Capture your world.

Colours:

Polar Night

Dusk

Key features:

Make a lasting impression with Nokia 5.4. Get total creative control – with advanced video recording and cinematic effects, you can capture your world in stunning detail. Do more with the streamlined Qualcomm® Snapdragon™ 662 for longer, thanks to up to 2-day battery life.¹ And stay on top of everything with a phone that's ready for Android™ 11 and beyond, so you can work and play, your way.

Take videos and photos like the pros.

Snap great photos every time with the 48MP Quad camera – featuring zero shutter lag. Plus, capture your world in motion with 60fps cinematic video recording, and use tools like colour grading to turn your vision into reality.

Rely on AI.

Go for a device that works harder by being smarter. The Qualcomm Snapdragon 662 Mobile Platform is optimised with the latest AI technology, so you can stay productive in whatever you do.

Set your sights on something bigger.

The impressive 6.39" HD+ punch hole display provides more space for streaming, gaming and browsing, while still fitting in your pocket. The eye-catching Nordic design also features a durable rear cover in living colours, making your phone as strong as it is beautiful.

Power through whatever you do.

Do what you want, when you want, with generous up to 2-day battery life¹. AI-assisted Adaptive Battery technology also offers smarter app usage, prioritising power to the things you use the most.

Stay secure and up to date.

Get more out of your phone with privacy, security, easy navigation and advanced AI. Enjoy the latest features and stay secure with 3 years of monthly security updates and 2 years of software upgrades. Plus, with a system primed and ready for Android 11 and beyond, you can stay ahead of the game.
