#### SOUND PROFILES CHARGING YOUR DEVICE

Charging Earbuds: The earbuds will charge automatically when placed in the capsule.

Capsule Fully Charged: Once fully charged, the battery indicator lights will stay on.

**Total battery life:** 32 hours

battery life.

Call/Play time: about 8 hours

A fully charged capsule can completely recharge the earbuds up to 3 times before needing to recharge the capsule.

Wireless Charging: Simply place the capsule

on any Qi-compatible charging mat. Battery Status Indicator - After closing the lid of the charging capsule, the battery status

indicator lights will display the remaining

**Low-Battery Warning** - When earbud batteries are low, a "low battery" voice prompt will play, and there will be 30 mins of playtime left before the earbuds automatically power off.

# THE PERFECT FIT

Rotate the The perfect earbuds into earbuds slightly fit should forward. look like this.

### FOAM FIT TIPS

Memory foam tips conform to your ear canal, providing a secure fit and maximum sound isolation.

#### FACTORY RESET

FACTORY RESET - First, delete the "The Work Earbuds Ultra" from the Bluetooth settings on your device, and place your earbuds back in the capsule.

While earbuds are in charging capsule, press and hold the "Raycon" button 5 seconds or until the 4 battery indicator lights flash at the same time. Please ensure that the charging capsule has enough charge.

RESET

Close the charging capsule to complete the reset function.

Follow instructions in Quick Start Guide section to reconnect earbuds to Bluetooth device.
