

Tornado Instruction Sheet

CARE AND OPERATION

PLEASE READ ALL OF THE INSTRUCTIONS BEFORE OPERATING.

Transformer Specs: Input: 120V - 60Hz / Output: 4.5V DC – 200MA

NOTE: This lamp is a Class III and must not be connected directly to the power supply without the use of the transformer supplied.

CAUTION

- ✓ Place the item on a flat and solid surface.
- ✓ Keep products out of reach of small children and pets.
- ✓ Handle product with care, the globe may break if it is dropped, knocked over or subjected to any form of sudden impact.
- ✓ **DO NOT** remove the cap on the globe or add anything to the globe. The air space at the top of the globe is necessary in order to allow for the expansion of contents. Breaking the seal on the globe shall void the warranty. This product is intended for personal indoor household use only – **DO NOT** use outdoors.

CLEAN UP INSTRUCTIONS FOR ACCIDENTAL BREAKAGE

If the globe breaks, it is not harmful if it is handled properly.

1. Wear rubber gloves during the clean up process in order to protect skin irritation and to prevent cuts from broken glass.
2. Carefully pick up and dispose of broken glass and plastic pieces.
3. Use disposable towels to soak up excess liquid (you can use water to aid in clean up because the liquid is water soluble).
4. Thoroughly clean any products soiled by the liquid.
5. After the liquid has been cleaned up a commercial cleaning detergent may be used to deep clean the area. Prompt clean up is key in removing any stains.
6. For carpet, blot up spilled material with an absorbent disposable cloth and then follow cleaning directions from your carpet manufacturer.
7. For floors, wipe up with disposable cloth and clean with normal floor cleaning detergent.

SAFETY AND FIRST AID

For ingestion: Seek medical attention.

For direct contact to eyes: Flush open eye with a direct stream of water for 15 minutes and then seek medical attention.

For direct skin contact: Clean the affected area thoroughly with soap and water. Remove and wash contaminated clothing immediately. If irritation occurs, then seek medical attention. Although our products are non-hazardous, should you need specific material or health information, call 1-800-336-5282 during regular business hours and ask for Consumer Services. After business hours, contact Rocky Mountain Poison and Drug Center at 303-739-1110 or visit their website at www.rmpdc.org or contact your local poison center. We can also be contacted via e-mail at informaster@lavalite.com.

LIMITED 90 DAY WARRANTY

This unit is warranted by LAVA LITE LLC® against defects in workmanship or materials for 90 days from the date of purchase. The duration of any express or implied warranties, including implied warranties of merchantability or fitness for a particular purpose, are limited to 90 days from the date of purchase. This warranty shall be void if the lamp has been subject to abuse, negligent handling, disregard of operating instructions or attempted repair by anyone other than the manufacturer. LAVA LITE LLC® shall in no event be responsible for incidental or consequential damages of any nature or amount. **NOTE:** Some states do not allow limitations on how long an implied warranty lasts or do not allow the exclusion or limitation of consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights and you (as a purchaser) may also have other rights which vary from state to state.

SERVICE AND REPLACEMENT INSTRUCTIONS

Within the 90 day warranty period, if for any reason, other than a burned out light bulb or misuse (see Care and Instructions), your unit does not function properly, then **return it to your retailer**. The manufacturer is the only one that can make warranty replacements after 90 days. **DO NOT RETURN THE LAMP LAVA LITE LLC®**

UNLESS AUTHORIZED BY A COMPANY REPRESENTATIVE. Customer Service may be contacted at 1-800-336-5282 or via e-mail at informaster@lavalite.com
